

Fundraisers

I love to raise funds for organizations and charities that are positive and make a differences.

The minimum required amount of \$2500 or 50 people minimum is divided equally 50/50.

This is a public speaking engagement and some people will be getting a reading. I always recommend your group reading the Pre Appointment information [HERE](#).

The requirement for organizations or charities that I work with need to have the following:

- Integrity**
- purpose**
- 100% of the funds allocated to the cause**
